

The ADP Mobile App

An engaging, easy-to-use app for employees and managers

Your HR solution should be useful and easy-to-use for administrators, managers and employees alike. With the highly-rated ADP mobile app, you get just that. Help your organization stay informed, productive and connected with HR tools that work the way they do.

With the ADP mobile app, you can:

- Offer employees simple, secure access to their latest pay, time, benefits and HR information
- Quickly address upcoming or overdue tasks with a view of "Things to Do"
- Manage direct deposit and tax information
- Update contact information, emergency contacts, skills, education and more
- View time off balances and submit/approve requests
- Clock-in and out, even while offline
- Change 401(k) contribution rate and view account performance
- Enroll in pay card options easily
- Review current benefits and compare plans during open enrollment
- Simplify the clocking experience with Quick Clock, QR Code and NFC* scan capabilities
- Access and complete learning and development courses via myLearning
- Receive AI-enabled, proactive solutions to pay, time, benefits and HR cases with an intelligent self-service portal and conversational virtual assistant

4.7 out of 5 star
user-rating on the
Apple App Store

Manage teams more easily:

- Provide managers a consolidated view of team information at their fingertips
- Uncover workforce trends in areas such as turnover and overtime rates to help your leaders make more-informed decisions
- Proactively address and be notified of time-off requests, time-card updates and other general approvals
- Develop and modify calendars and schedules, including the ability to create a new shift
- Deploy employee wellness check-ins and custom health surveys before coming to work in-person
- Provide a welcoming onboarding experience and encourage new hires to complete necessary paperwork and review company policies before their first day on the job
- And more!
