

A Better Way to Manage Your Independent Contractors

WorkMarket, an ADP company, helps you handle all the hassles that come with managing your contractors and freelancers. **So you can grow your business, not your administrative burden.**

ONBOARD your contractors efficiently through automated workflows and self-onboarding capabilities

ENGAGE with contractors in real-time using an integrated mobile app

VERIFY contractor skills credentials and qualifications in custom-built talent pools

MANAGE jobs at scale through one central platform

IDENTIFY the right contractor for the right jobs at the right time

PAY contractors instantly and with a variety of methods

WHY WORKMARKET?

Our end-to-end solution is also modular to meet your business needs. With WorkMarket, you can:

- ✓ Mobilize contractors faster to meet SLAs
- ✓ Scale your business with a contractor workforce
- ✓ Attract and retain top tier talent
- ✓ Gain visibility into your contractor workforce
